

FutureTech University

Library Rules and Services

Academic Year 2026-2027 | Issued by the University Library | Library Building

This document describes the services, policies, and facilities of the FutureTech University Main Library. For academic policies related to coursework and exams, see [academic_regulations.pdf](#). For general campus services, see [campus_services.docx](#).

1. Library Services

The Main Library, located in the Library Building at the center of campus, provides the following services to all currently enrolled students, faculty, and staff:

- Circulation of physical books, journals, and reference materials across four floors (Ground Floor through 3rd Floor).
- Access to digital resources and subscription databases (see Section 4).
- Study room reservations for individual and group study (see Section 6).
- Reference and research assistance from subject librarians, available by appointment or walk-in during service hours.
- Interlibrary loan requests for materials not held in the FTU collection, typically fulfilled within 7-10 working days.
- Printing, scanning, and photocopying services on the Ground Floor, at \$0.05 per printed page.
- A dedicated Quiet Study Zone on the 3rd Floor, where conversation and phone calls are not permitted.

2. Borrowing Rules

Borrowing privileges depend on the borrower's status at the university:

Borrower Type	Maximum Items	Loan Period	Renewals Allowed
Undergraduate Student	5 items	14 days	2 renewals
Graduate Student	8 items	21 days	3 renewals
Faculty	15 items	60 days	3 renewals
Staff	5 items	21 days	2 renewals

Items may be renewed online through the library portal, provided no other patron has placed a hold on the item. Reference materials, rare books, and items in the Quiet Study Zone reference collection are for in-library use only and cannot be borrowed. Students with an outstanding registration hold due to unpaid tuition (see [tuition_policy.pdf](#), Section 5) or unpaid library fines (see Section 5 below) will have borrowing privileges suspended until the hold is cleared.

3. Opening Hours

Day	Hours
Sunday - Thursday	8:00 AM - 10:00 PM
Saturday	10:00 AM - 6:00 PM
Friday	Closed

During final exam periods, the library extends its hours to 8:00 AM - 1:00 AM daily, including Fridays, as announced each semester (see announcements.txt for an example notice regarding the Spring 2026 extended hours period). The library is closed on official university holidays, as published in the annual Academic Calendar.

4. Digital Resources

The library subscribes to the following digital databases and resources, accessible on campus or remotely via the library VPN using student portal credentials:

- IEEE Xplore - full-text access to IEEE journals, transactions, and conference proceedings.
- ScienceDirect - multidisciplinary access to Elsevier journal articles and book chapters.
- SpringerLink - access to Springer journals, books, and reference works.
- JSTOR - access to archival journal content across humanities, business, and social sciences.
- The FTU Digital Repository - a searchable archive of FutureTech University theses, graduation projects, and faculty publications.

To access digital resources remotely, students should log in through library.futuretech.edu.eg using their student portal username and password. Contact the IT Support Desk (see [campus_services.docx](#), Section 1) for login issues, or the library's reference desk for database search assistance.

5. Late Return Penalties

Items not returned or renewed by the due date accrue a fine as follows:

- A fine of \$0.50 per day per item, up to a maximum of \$15 per item.
- Items overdue by more than 30 days are considered lost, and the borrower is charged the full replacement cost of the item plus a \$10 processing fee, in addition to the maximum \$15 late fine.
- Unpaid library fines exceeding \$20 result in a hold on library borrowing privileges, transcript requests, and graduation clearance, similar in effect to (but administered separately from) the tuition-related registration holds described in [tuition_policy.pdf](#), Section 5.
- Fines can be paid online through the library portal or in person at the Ground Floor circulation desk.

6. Study Room Reservation

The library offers 18 bookable study rooms across the 1st and 2nd floors, ranging in capacity from 2 to 8 people.

- Rooms may be reserved for up to 3 hours per day per student, via the library portal or the Ground Floor front desk.
- Reservations can be made up to 7 days in advance.
- A reservation is automatically released if the booking party does not check in at the circulation desk within 15 minutes of the start time.
- Group study rooms are intended for collaborative work; individual quiet study is best suited to the 3rd Floor Quiet Study Zone described in Section 1, which does not require a reservation.
- Repeated no-shows (3 or more within a semester) result in suspension of study room booking privileges for the remainder of the semester.

7. Library Contact Information

- Location: Library Building, Ground Floor to 3rd Floor
- General Inquiries: library@futuretech.edu.eg
- Phone: +20 2 2589 3700
- Reference Desk: reference@futuretech.edu.eg (Ground Floor, staffed during all opening hours)
- Interlibrary Loan: illoan@futuretech.edu.eg

8. Related Documents

Students should also consult:

- [student_handbook.pdf](#), Section 2 - student rights regarding access to library resources
- [tuition_policy.pdf](#), Section 5 - registration holds, which operate similarly to but separately from library fine holds
- [campus_services.docx](#) - other non-academic campus services and office locations
