

FutureTech University

Tuition and Fees Policy

Academic Year 2026-2027 | Issued by the Financial Office | Effective July 1, 2026

This policy describes tuition fees, accepted payment methods, installment plans, refund rules, and late payment penalties at FutureTech University. It should be read alongside [scholarship_info.txt](#) for information on how scholarships offset tuition, and [academic_regulations.pdf](#), Section 4, for how course withdrawal interacts with refund eligibility.

1. Tuition Fees

Tuition is charged per semester and varies by department due to differences in laboratory, studio, and equipment costs. The following table shows the per-semester tuition rate for full-time undergraduate students (defined as students enrolled in 15 or more credit hours) for the 2026-2027 academic year.

Department	Tuition per Semester	Lab/Studio Fee
Computer Science	\$2,600	\$150
Artificial Intelligence & Data Science	\$2,900	\$200
Electrical & Electronics Engineering	\$3,100	\$250
Mechanical Engineering	\$3,100	\$250
Business Administration	\$2,300	\$50
Architecture & Design	\$3,400	\$400
Biomedical Engineering	\$3,200	\$300
Mathematics & Basic Sciences (Foundation Year)	\$2,400	\$100

Part-time students (enrolled in fewer than 15 credit hours) are charged per credit hour at a rate of 1/15th of the applicable full-time tuition, plus a proportional share of the lab/studio fee. Housing fees, where applicable, are billed separately; see [campus_services.docx](#), Section 6, "Housing Office."

These figures reflect base tuition before any scholarship or financial aid is applied. See [scholarship_info.txt](#) for scholarship coverage percentages and eligibility.

2. Payment Methods

FutureTech University accepts the following payment methods:

- Bank transfer to the university's designated tuition account (details provided on each semester's invoice).
- Credit or debit card payment through the student portal payment gateway.
- Certified check payable to "FutureTech University," submitted in person to the Financial Office.
- Cash payment, accepted only at the Financial Office cashier window, up to a maximum of \$1,000 per transaction for security reasons.

- Sponsor billing, for students whose tuition is paid directly by an employer or government sponsor, arranged in advance through the Financial Office.

The Financial Office is located in Building C, Room C-020, and is open Sunday through Thursday, 9:00 AM to 3:00 PM. Contact: finance@futuretech.edu.eg or +20 2 2589 3200.

3. Installment Plans

Students who prefer not to pay tuition in a single lump sum may enroll in the standard 3-installment plan:

Installment	Percentage of Total Tuition	Due Date (Fall Semester Example)
1st Installment	40%	At registration (by September 5, 2026)
2nd Installment	30%	By October 15, 2026
3rd Installment	30%	By November 30, 2026

Enrollment in the installment plan requires payment of a one-time \$25 administrative fee at the time of the first installment. Installment due dates for the Spring semester follow the same 40% / 30% / 30% structure, adjusted to the Spring academic calendar and published each December. Students who miss an installment deadline are subject to the late payment penalties described in Section 5.

4. Refund Policy

Refunds for course withdrawal or full withdrawal from the university are calculated on a sliding scale based on the timing of the withdrawal request relative to the start of the semester:

Withdrawal Timing	Refund Percentage
Within Week 1 of the semester	100%
Within Week 2 of the semester	75%
Within Week 3 of the semester	50%
Within Week 4 of the semester	25%
After Week 4 of the semester	0% (no refund)

Refunds are processed within 15 working days of an approved withdrawal request and are returned using the original payment method where possible. Note that withdrawing from an individual course after Week 10 results in a "WF" grade under [academic_regulations.pdf](#), Section 4, regardless of the refund percentage that applied when tuition was paid; refund eligibility and academic withdrawal deadlines are governed by separate timelines and should not be confused with one another. The enrollment confirmation deposit described in [admission_guide.pdf](#), Section 6, Step 7, is non-refundable under all circumstances.

5. Late Payment Penalties

Tuition and installment payments not received by the applicable due date are subject to the following penalties:

- A late payment penalty of 2% of the outstanding balance is applied for each week the payment remains overdue, up to a maximum penalty of 10% of the outstanding balance.
- Students with a balance unpaid after 30 days from the due date will have a registration hold placed on their account, preventing course registration, transcript requests, and graduation clearance until the balance is settled.
- Students with a balance unpaid after 60 days from the due date may be administratively withdrawn from the semester's courses, subject to review by the Financial Office and the Office of the Registrar.
- Any scholarship or financial aid credit is applied to the account before late penalties are calculated on the remaining balance.

6. Financial Office Information

For all billing, payment, and refund inquiries, contact:

- Location: Building C, Room C-020, Business & Humanities Center
- Hours: Sunday - Thursday, 9:00 AM - 3:00 PM
- Email: finance@futuretech.edu.eg
- Phone: +20 2 2589 3200

For scholarship and financial aid inquiries specifically, contact the Office of Financial Aid & Scholarships (Building C, Room C-025, scholarships@futuretech.edu.eg, +20 2 2589 3210), which operates separately from the Financial Office described above. See [scholarship_info.txt](#) for full scholarship program details.

7. Related Policies

This policy should be read together with the following documents for a complete understanding of the financial aspects of attending FutureTech University:

- [scholarship_info.txt](#) - scholarship types, eligibility, and disbursement
- [admission_guide.pdf](#), Section 6 - enrollment confirmation deposit
- [academic_regulations.pdf](#), Section 4 - course withdrawal and its academic (not financial) consequences
- [campus_services.docx](#), Section 6 - housing fees, billed separately from tuition
